JOINING FORCES
ALIGNING COMMUNITY & MILITARY MISSIONS

River Oaks
August 29, 2016
AGENDA

Welcome and Orientation 6:00 to 6:15PM

JLUS Background Presentation 6:15 to 6:30PM
- Welcome
- Study Purpose and Process
- Study Area
- Partners
- Initial Compatibility Factors

Participation at Stations 6:30 to 8:00PM
Joining Forces is a collaborative effort among local governments, military installations, citizens and other stakeholders to identify encroachment issues affecting both surrounding communities and current and future military missions.

It seeks to recommend strategies to promote compatibility through communications, education and the local planning process.
Joining Forces is an advisory document and a framework to support local actions and regional partnerships.

It is not a “no growth” plan but an opportunity to encourage compatible development patterns.

PURPOSE
STUDY PROCESS

JOINING FORCES
STUDY AREA

- Major Installations
  - Naval Air Station Fort Worth, Joint Reserve Base
  - Camp Maxey Training Center
  - Redmond Taylor Army Heliport
  - Fort Wolters Training Center

- Ancillary Sites
  - Eagle Mountain Lake Facility
  - Military Operating Areas
  - Colonel Stone Army Reserve Center

NAS FW, JRB COMMITTEE

Representatives from:

- Benbrook
- Fort Worth
- Lake Worth
- River Oaks
- Sansom Park
- Westworth Village
- White Settlement
- Tarrant County
- NAS Fort Worth, JRB
Encroachment arises when conditions:

- Limit the ability of the military to perform its mission safely and effectively
- Impair safety or quality of life in the surrounding community
POTENTIAL COMPATIBILITY ISSUES

- Noise from aircraft
- Noise from training ranges
- Development near installation
- Aviation safety
- Use of airspace (e.g. general aviation aircraft or unmanned aerial systems/drones)
- Tall structures in low-level aircraft routes (communication towers, gas wells, wind turbines and transmission lines)
- Frequency spectrum interference (e.g. radio communication)
- Installation/facility perimeter security
- Recreational access/public use of military land
- Drainage/flooding
- Light pollution/glare
- Circulation/traffic access around installation
- Wildfire
- Water resources
- Environmental resources
- Endangered species and critical habitat
- Cultural resources (e.g. historic sites)
- Coordination/Communication between military and community
- Accommodating military-related growth
STUDY AUDIENCES

- Residents/employees
- Elected officials
- City/county staff
- Community leaders
- Community organizations
- Transportation partners
- Military partners and organizations
- Media
- Environmental groups
- Texas Parks and Wildlife
- Real estate professionals
- Homebuilders and homeowner associations
- Business leaders
PARTICIPATION OPPORTUNITIES

- Fill out a comment sheet, give input at stations, and fill out survey
- Visit the project web site at:
  - www.JoiningForcesNTX.org
- Look for upcoming public meetings in the Fall of 2016 and early 2017
